**Roger J. Marzulla Will Speak at the
2011 American Bar Association Spring Meeting in Washington**

WASHINGTON, DC – Roger J. Marzulla, co-founder and partner of Marzulla Law, LLC, has accepted an invitation from the American Bar Association to participate as an expert panelist on April 8, 2011 when the nation’s largest and most prestigious consortium of lawyers holds its annual spring meeting on Capitol Hill.

Mr. Marzulla will speak as part of program entitled, “The BP Spill: Legal and Regulatory Ramifications for the Energy Sector.” With the one-year anniversary in April, the program will examine ways in which the Deepwater Horizon spill—the largest accidental marine oil spill in the history of the petroleum industry—is transforming the legal and regulatory landscape. Among the questions to be examined: How will liability and accountability shift among stakeholders? What are the responsibilities of government and private industry? And how will the Gulf spill “rewrite the rulebook,” as with the Exxon Valdez spill in Alaska years earlier?

The ABA meeting will convene April 5, 2011 and end April 9, 2011 at the Hyatt Regency Washington on Capitol Hill.
